New and Leaving Staff

Daniel John (room 01.026) joined the new research group of Joep Lustenhouwer "Expectation Formation in Macroeconomics and their Implications for Monetary and Fiscal Policy" as a PhD student in June. He obtained a Master's degree in Economics and Political Science from the University of Milan and spent an exchange year at the University of Heidelberg. Daniel's research interests revolve around expectations in DSGE models, inflation, and monetary policy.

Editorial deadline for issue 12/2022 of the newsletter:
