

Dear Partners,

Our School of Economics has recently opened its new web site at this address:

<https://www.scuola-economia-statistica.unimib.it/it/scuola>

A specific section concerns international relations and the Erasmus+ programme. We kindly ask you to take note of its address

<https://www.scuola-economia-statistica.unimib.it/it/internazionalizzazione/erasmus/incoming-students/info-incoming-students>

particularly of the COURSES section, where your outgoing students can browse our didactic offer.

Moreover we would like to highlight the FAQ for Incoming Students and the General Information area. We hope this will improve and enrich the information available for you and your students.

School of Economics and Statistics, Erasmus Team

Building U7/Room 4057

University of Milano-Bicocca - Italy
